Heart Bypass Surgery – Resource Use 2009

Memphis Leapfrog Results

Heart Angioplasty - Resource Use 2009

Memphis Leapfrog Results

- Good response rate, but can be better
- Some growth in Leap adoption at a community level, but can be better
- Still have a long way to go to meet all applicable Leaps
- Compare favorably to National averages for quality of high risk procedures
- But, compare very negatively to National for resource use
